Dear Roger:

Enclosed are two copies of the draft report "1989 Quarterly Monitoring of the Georgetown Flume" as authorized by Seattle City Light Work Order #89-6. The drawing is rough, and I hope no copies find their way to your files. Please advise Laurie G. that the drafts have arrived.

The final will be printed as soon as the drawing is finished.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Mike".
